

23rd Annual Burrowing Owl Festival

Wildlife and Environmental
Exposition
Rotary Park, Saturday, February 22, 2025
DONATION REQUEST

Cape Coral Friends of Wildlife is a nonprofit, volunteer organization dedicated to protecting and preserving Cape Coral's wildlife, as well as educating the community about Cape Coral's wildlife resources. Our official city bird, the burrowing owl is listed as a Florida threatened species. Our initial focus was only on the burrowing owl. We have now expanded our efforts to include other wildlife, such as the Florida threatened gopher tortoise, the majestic bald eagle, manatees and butterflies. Volunteers devote over 7,000 hours per year to protecting and preserving Cape Coral's wildlife and educating our community to our cause.

The Burrowing Owl Festival Wildlife & Environmental Exposition is designed to educate people about burrowing owls, wildlife, and environmental concerns in Southwest Florida. The mission of the Cape Coral Friends of Wildlife is to preserve and protect wildlife species, particularly Cape Coral's official city bird, the Burrowing Owl.
