

20th Annual Burrowing Owl Festival

Wildlife and Environmental Exposition
Rotary Park, Saturday, February 26, 2022

The Burrowing Owl Festival Wildlife & Environmental Expo is designed to educate people about Burrowing Owls and wildlife and environmental concerns in Southwest Florida, promoting the mission of the Cape Coral Friends of Wildlife to preserve and protect wildlife, particularly Cape Coral's official city bird, the Burrowing Owl. CCFW volunteers dedicate over 10,000 hours of work towards this mission annually.

Festival events include hands-on activities for adults and children, wildlife speakers, wildlife and nature exhibitor display tables, nature related craft vendors, tours to active owl burrows, live animals, butterfly plant sales, butterfly house, festival food, and much more.

CCFW is looking for donations such as reusable bags for giveaways, eco-friendly promotional items, items for the silent auction such as gift cards, event tickets, merchandise, one-of-a-kind experiences such as guided tours, specialty dinners, box seats, private boating or fishing experiences, autographed memorabilia, wine tasting and food pairing, cash or in-kind sponsorships, sporting equipment, pet supplies, hotel stays, etc. Sponsoring any of the expenses associated with putting on the festival is also very much appreciated. This is the 20th year for the festival. Let's make it the best one yet. Think bigger and better for 2022! All funds raised go toward protecting and preserving the habitats and wildlife of Cape Coral.
