

# 24th Annual Burrowing Owl Festival

Wildlife and Environmental  
Exposition

Rotary Park, Saturday, February 28, 2026

## DONATION REQUEST

Cape Coral Friends of Wildlife is a nonprofit, volunteer organization dedicated to protecting and preserving Cape Coral's wildlife, as well as educating the community about Cape Coral's wildlife resources. Our official city bird, the burrowing owl, is listed as a Florida threatened species. Our initial focus was only on the burrowing owl. We have now expanded our efforts to include other wildlife, such as the Florida threatened gopher tortoise, the majestic bald eagle, manatees and butterflies. Volunteers devote over 9,000 hours per year to protecting and preserving Cape Coral's wildlife and educating our community about our wildlife resources.

The Burrowing Owl Festival Wildlife & Environmental Exposition is designed to educate people about burrowing owls, wildlife, and environmental concerns in Southwest Florida. The festival is a one-day family friendly event featuring environmentalists, interesting vendors, great food and beverages, live animals and birds and interesting guest speakers as well as a children's corner with face painting and science projects.
