SPONSORSHIP INFORMATION

Cape Coral Friends of Wildlife is a nonprofit, volunteer organization dedicated to protecting and preserving Cape Coral's wildlife, as well as educating the community about Cape Coral's wildlife resources. Our official city bird, the burrowing owl is listed as a Florida threatened species. While our initial focus was only on the burrowing owl, we have now expanded our efforts to include other wildlife, such as the Florida threatened gopher tortoise, the majestic bald eagle, manatees and butterflies, osprey and purple martins. Volunteers devoted over 13,000 hours last year to protecting and preserving Cape Coral's wildlife and educating our community to our cause.

We are asking you to be an important part of our efforts to protect wildlife by sponsoring our **25h Annual Burrowing Owl Festival – Wildlife & Environmental Expo**, which will be held on Saturday, Feb. 27, 2027, at Rotary Park in Cape Coral Florida. This event drew a crowd of over 4,000 guests in 2026, including residents and visitors from not only Florida, but from other states and countries.

This is a fantastic opportunity to bring attention to your business, while doing something important for the community. If you are a private individual, your contribution will help ensure that Cape Coral's wildlife will be our neighbors for generations to come.

Won't you please help us by sponsoring our festival?
